GENERAL STATEMENT: In order to sell fruits, honey, plants, or vegetables at any market managed by the Alachua County Farmers' Market, Inc. "ANNUAL SELLERS" pay dues and fees for privilege to sell at any Market managed by the ACFM, Inc. for the period of April 1 to the following March 31, herein referred to as the "Market Year." "DAILY SELLERS" pay dues and fees each time they sell at any Market managed by the ACFM, Inc. "YOUTH ORGANIZATION SELLERS" pay selling space fees but are exempt from dues and inspection fees as provided under C, below.

A. ANNUAL SELLER. A grower who elects to pay Annual Seller Dues, an Annual Seller Space Fee, and an Annual Inspection Fee as set forth below, becomes a regular (voting) member of the ACFM, Inc. (a "regular voting member" is hereafter called "Member"). A Member is entitled to vote on ACFM, Inc. matters and is eligible for nomination to the Board of Directors as set forth in the By-Laws of the ACFM, Inc. For purposes of these Market Rules and Regulations, a Member shall either be the person legally responsible for an agricultural operation or their designated individual.

1. ANNUAL SELLER DUES of \$125.00 are for the privilege to sell during the entire Market Year.

2. ANNUAL ASSIGNED OR UNASSIGNED MARKET SELLING SPACE FEE. Selling spaces at the US 441-34th St. location are leased from the Corporation for an annual period as set forth, below. Assigned spaces are leased on or before the third Thursday of March as described in Chapter IV. a. Annual assigned (under roof) \$430.00 + tax

b. Annual assigned (outside of roofed area) \$350.00 + tax

*Owners of these lease agreements have the first opportunity to set up in any unoccupied space at the beginning of each selling day. B. DAILY SELLER. 1. DAILY SELLER DUES are for the privilege to sell one (1) day, dues include selling space fees and an annual \$20 application fee per Market Year.

2. DAILY SELLING SPACE FEES:

Youth organizations including those affiliated with churches, schools, or service organizations (local or national) are permitted to sell as "Youth Organization Sellers" at the discretion of the C.O.O. with all of the rights and requirements of Daily Sellers. Said Youth Organization Sellers are exempt from inspection fees and dues as long as the Organization retains the designation "Youth Organization Sellers," but are responsible for Selling Space Fees as listed under Daily Selling Space Fees in B., 2 above.

D. ANNUAL INSPECTION FEES (Purpose and mechanics of inspections are described in Chapter VI, Grower Inspections).

1. Annual Inspection Fee for farms, gardens, greenhouses, groves, orchards, hydroponic systems, apiaries, etc. (herein called "Agricultural Operation") in Alachua County is \$40.00 plus a fee for mileage, (rate specified by the U. S. Internal Revenue Service) and estimated time (prorated hourly salary) that will be spent by C.O.O. in driving to and from the Agricultural Operation starting from the C.O.O.'s farm/home. These fees may be adjusted to reflect changes in the C.O.O. salary or the IRS mileage rate.

E. OTHER CONSIDERATIONS ABOUT LEASING SELLING SPACES:

1. An eligible grower may lease only one annual assigned space. Second annual space may be purchased at full price as determined after all current and new annual members have requested and paid for their spaces. Seniority rules apply to the second space as determined by annual membership date or first daily date if annual membership date is the same.

2. There will be no reimbursements made for dues or fees for growers who leave the Market or receive sanction (s). However, fees may be reimbursed, at the discretion of the Board of Directors (B.O.D.), in case of death, disability, illness in the family or other considerations. 3. Daily Selling Spaces are those Annual assigned and/or unassigned Market Seller Spaces that are not occupied by the 8:00 AM Deadline as set forth in more detail in Chapter III, below.

Reminder: The total cost to sell at the Market is the sum of Dues, Annual Inspection Fee and Selling Space Fee.

CHAPTER III. SETUP FOR SALES

Members with an Annual Assigned Market Selling Space may begin setting up in said Space at 5:00 AM and must leave the Market selling area by 1:30 PM (unless arrangements have been made with the C.O.O.). Members with an Annual Assigned Market Selling Space that cannot make the 8:00 AM deadline must make prior arrangements with the Market Manager. or their spaces will be placed in the pool of unoccupied spaces. Priority for unoccupied selling spaces will be given to growers who qualify as Daily Sellers.

All new members, either daily or annual, will be inspected within thirty (30) days of membership acceptance by the Market. All members, either new or renewal, will be inspected once every three (3) years, unless it is not possible for the C.O.O. to arrange inspections with all members in one market year. Any member not inspected during the current year will be inspected first in the coming year. The C.O.O. will attempt to the best of their ability to schedule and complete inspections of all members. All members who have been inspected during the current year would not be reinspected unless evidence that a potential problem with products exists. Inspections by agricultural extension agents or their assigns may be requested and accepted by the Market. All members, upon application or renewal of membership, will be required to sign a legal affidavit stating that all products sold at the Market were personally grown by the member. Any inspection fees would be charged at time of inspection only. If a question about compliance arises, additional inspections may be required.
- B. Inspections: The C.O.O. (if not available, a representative of the B.O.D.) will select a peer grower to accompany him or her on the various inspections. The peer grower witnesses the inspection and, if asked, may advise the inspection team leader, (the C.O.O.) as to the legitimacy of the agricultural operation. Prior to visiting an agricultural operation, the inspection team will make an appointment with the grower and inform that grower what crops will be inspected. Growers must produce evidence that they own, manage or rent the acreage or operation shown to the inspection team. The C.O.O. will be reimbursed as outlined in paragraph II.D.2. This evidence includes but is not limited to:

 - g. any records that would be accepted in an IRS audit, such as receipts for soil, pots or other grower supplies.
- C. Emergency inspections shall occur if the C.O.O. or person acting as the C.O.O. receives a signed complaint or has reason to suspect that an ineligible product has been sold at the Market. Each case will be evaluated on its merits; emergency inspections will not be made unless there is probable cause. An inspection team formed as above will contact the grower to arrange an inspection within 3 days of receipt of the complaint. The grower will be informed of the product(s) alleged to be ineligible. Proof that the alleged ineligible products were, in fact, eligible includes one or more of the items relating to an annual inspection.
- D. Failed inspections: A failed inspection is one in which the inspection team fails to find evidence that the grower being inspected produced the items being or having been sold at the Market. If the evidence involves a lack of documentation for production of a crop, the C.O.O. or designated inspection team leader will allow the grower up to 7 days to produce the necessary documents. If such necessary documentation is not produced, the grower shall have failed his or her inspection and such failed inspection shall be a violation and breach of the Market Rules and Regulations and subject to the enforcement procedures set forth in Chapter IX, below. In addition to the enforcement procedures set forth in Chapter IX, below, any grower who fails an inspection shall also pay the reasonable costs incurred by the ACFM, Inc. in the inspection.

Following the presentation by the C.O.O. of his or her case against the cited member, the cited member shall proceed with his or her defense using such evidence as he or she believes is necessary to prove by a preponderance of the evidence that the cited violation and breach did not in fact occur or that proper notice as set forth above was not given to the member.

- b. To the greatest extent possible, formal rules of evidence shall be relaxed; however, the Grievance Panel is entitled to judge the demeanor and veracity of the C.O.O., cited member and witnesses produced in the hearing. In addition, the Grievance Panel is granted discretion to weigh the veracity and probity of any and all evidence adduced in the hearing.
- c. Members of the Grievance Panel shall be permitted to ask questions at any and all times during the hearing. The hearing shall be tape-recorded.
- d. At the end of the presentation of all evidence, the Grievance Panel shall meet in private and shall decide by a simple majority vote whether the cited violation and breach, by a preponderance of the evidence, did in fact occur and the member was given proper written notice of the violation and breach as set forth in a., above. If the Grievance Panel finds that the cited violation and breach did in fact occur and notice was properly given to the member and such findings of fact are supported by a preponderance of competent and substantial evidence, then the Grievance Panel shall forthwith select one of its members as the Manager and the Manager shall call the C.O.O. and the cited member back into the meeting room. The Manager shall then announce the decision of the Grievance Panel and the Grievance Panel shall thereupon sign an Order of Three (3) Month Suspension or One (1) Year Suspension and transfer copies of the same to the C.O.O. and the cited member. If the Grievance Panel finds that the cited violation and breach did not by a preponderance of the evidence in fact occur or notice was not properly given to the member, then the Manager shall announce that there is no suspension of the member and no Order of Three (3) Month

The Grievance Panel's private meeting at the end of the presentation of all evidence shall not be tape-recorded and no records shall be made of the deliberations of the Grievance Panel or how each Grievance Panel member voted. Any order signed by the Grievance Panel shall simply be signed as follows:

"The Grievance Panel Manager for all members of the Grievance Panel."

- e. Any Three (3) Month or One (1) Year Suspension Order shall be effective and shall begin on the date of the Grievance Panel Decision and shall continue for three (3) months or One (1) Year, respectively, unless vacated by the Board of Directors upon timely filed appeal by the cited member.
- f. The C.O.O. shall be empowered to prevent the cited member from entering the Market Place during the three (3) month or one (1) year suspension and any entrance by a cited member into the Market Place during a suspension shall be treated as a trespass by ACFM, Inc. and the C.O.O. and a further violation and breach of the Market Rules and Regulations.

- C. In any case involving a Daily Seller rather than a Member, "Daily Seller" is to be inserted in A-B, above in place of "Member" and the said provisions of Chapter X shall apply with equal force and effect.
